

Pathways to Success

“
improving
instruction,
strengthening skills,
nurturing
hope
”

Mission Statement

We are committed to improving instruction, strengthening skills, and nurturing hope that ensures the academic success of students and prepares them for post-secondary education.

Core Values

Respect.

We will foster respectful relationships in all our interactions.

Quality.

Our work will reflect a commitment to quality and professionalism.

Decision Making.

We will honor the expertise of teachers and the power of individual decision making.

Partnership.

We will engage in partnerships and utilize the collaborative process to achieve success.

Dedication.

We will celebrate and honor the dedication of administrators, teachers, students, parents, and project.

Motivation.

We will value the power of motivation in the change process and for goal attainment.

Positive Thinking.

We will establish a working environment that is both positive and nurturing.

Opportunity.

We will provide opportunities for individuals to learn and grow.
